**DOUBLE your IMPACT for Stewardship Education!**

Dear Park Friend:

We are very pleased to announce that the Park Foundation is supporting the Fairfax County Park Authority (FCPA) in its endeavor to build the much needed and long-awaited **Sully Woodlands Stewardship Educational Center at Ellanor C. Lawrence Park** in Chantilly, VA. The name references the project site which is located within FCPA's expansive parkland known as Sully Woodlands!

You can be part of the exciting multi-year campaign to help fund this innovative educational and recreational center that is **designed to be the third full Living Certified Building in the region and one of only 25 in the world!** This state-of-the-art interpretive center will be a resource for friends, family and all in the community to learn about animals, wildlife, and preservation to benefit generations to come.

The Sully Woodlands Stewardship Educational Center will feature many entertaining and educational elements, such as amphitheater risers, feeding stations for birds and other wildlife, solar powered water features, and much more. **A focus on STEAM (Science, Technology Engineering, Art and Math) education will help pique interest and inspire Fairfax County youth, while also intriguing visitors of all ages.**

The fundraising campaign focus is a \$145,000 Thermal Mass Fireplace and Amphitheater since they are integral features to be built at the onset of construction that is scheduled to begin in late spring 2021.

The Thermal Mass Fireplace will help to reduce dependency of solar panels in colder months, thus using less energy and contributing to a more energy efficient building. The Amphitheater will facilitate educational and recreational programming and will be open to the public for rental purposes.

**DOUBLE Your IMPACT!** A generous gift from the Lazar Family and The Estate of Jim Hawthorne offers a dollar for dollar challenge match up to \$20,000 for the SW SEC.

**Your donation of \$1,000, \$500, \$250, \$100, \$50 or whatever you can give will help ensure that the SW SEC will be built with these important features!**

Once completed, we know that the Stewardship Educational Center will become one of the premier sites in Northern Virginia for science education, field trips, nature study and play, and relaxation set in the beautiful 650 acres of resource rich Sully Woodlands.

Please visit **www.FairfaxParkFoundation.org** to learn more about this exciting educational center that will allow children and adults to experience and learn with hands-on, creative scientific features. **Your donation today will help make the Sully Woodlands Stewardship Education Center a reality!**

Thank you for continuing to enjoy and enrich your award-winning parks!

Sincerely,

Michael Gailliot, Chair  
Board of Directors

Roberta A. Longworth, CFRE  
Executive Director

**P.S. Names of supporters giving \$1,000 or more will be recognized on a Sully Woodlands Stewardship Educational Center bronze donor plaque that will be prominently displayed in the main lobby.**
