## Fiscal Years 2020 & 2019 Highlights

### ***Enrich your Fairfax County parks!***

[FCPF contributors](#), composed of Individuals, foundations, businesses and groups, support the Fairfax County Park Authority (FCPA) by making voluntary donations to the [Fairfax County Park Foundation](#) (FCPF).

FCPF is the fundraising arm that supports the FCPA by raising private funds, obtaining grants, and creating partnerships that supplement tax dollars to meet our community's needs for parkland, facilities, and services. This 501(c)(3) not-for-profit corporation, run by a dedicated volunteer [Board of Directors and staff](#), is recognized by Guidestar with the highest Platinum Seal of Transparency.

The Park Authority General Fund represents less than 1% of the County's General Fund Budget. The Park Authority provides approximately 60% of its operating budget through fee-based programs and activities. Supporting programs and facilities that are not fee-based and fulfilling the growing number of requests for scholarships, programs and park improvement projects remains a challenge. FCPF helps parks to bridging some of those unfunded gaps.

The Park Foundation highlights of Fiscal Years 2020 & 2019 include:

- \$662,144 Total donations raised by FCPF in FY2020; \$1,176,757 Total donations raised by FCPF in FY2019 to help enrich Fairfax County parks and outreach programs as detailed in the audited [Financial Statement Years Ending 2019 and 2020](#)
- 2,471– Number of donations received from private individuals, corporations, foundations and organizations to help our parks in FY2019
